Hot crab meat dip

Linda Kelsey is the wife of a lobsterman in South Bristol. With her usual flair, she serves her specialty in a big shell, and can't show up at a clambake without it.

1 container crab meat (whatever you can get, fresh is best)
½ cup slivered almonds
2 tablespoon sherry
8 ounces cream cheese, softened
½ cup mayonnaise
2 teaspoons powdered sugar
1½ teaspoons dry mustard

Combine and bake at 350 degrees until bubbly.
